Election 2023 – Survey Response – ICAN (Abolish Nuclear Weapons)

NSW Labor supports the Albanese Government's position to sign and ratify the Ban Treaty.

Labor is committed to acting with urgency and determination to rid the world of biological, chemical and nuclear weapons. Labor will build on Australia's strong history of leading international action by working with our partners and allies to build consensus for action, negotiate new treaties and instruments, and promote adherence to and implementation of existing treaties and instruments.
